Investment Solutions

We offer access to a range of investment solutions through our specialist fund management company – Omnis Investments, and Openwork Wealth Services Limited which provides active portfolio management. A core feature of these solutions is to offer a choice of risk-rated portfolios and funds which means you can be comfortable that your investments will always be managed in line with your own attitude to investment risk.

Managed Portfolio Service

Openwork Wealth Services Limited offers investors access to the Omnis Managed Portfolio Service. This service provides a choice of highly diversified risk-rated portfolios built from the Omnis Investments sector funds shown opposite. Day-to-day management enables the specialist investment team to take advantage of market opportunities and seek to maximise growth of your capital whilst never taking more risk than you've told us you're comfortable with.

Graphene Model Portfolios

The Graphene Model Portfolios offer access to a selection of the Omnis sector funds shown opposite where each risk-rated portfolio is automatically 're-balanced' every six months to ensure it remains aligned to its long-term objectives by keeping the proportions in which your money is invested across the various Omnis funds consistent.

Income Solutions

Our income solutions are designed for investors where obtaining a regular, sustainable income that's higher than can be achieved from cash-based savings is more important than capital growth. We offer two funds with slightly different strategies which aim to achieve this - the Omnis Multi-Asset Income Fund, managed by BNY Mellon/Newton Asset Management and the Omnis Multi-Manager Distribution Fund, managed by PineBridge Investments.

Our Recommended Funds Range provides access to more than 100 further funds from a variety of carefully selected established fund managers. These can be accessed individually to either complement any of the core investment solutions described on this page or selected on their own to create a bespoke portfolio to meet your investment needs.

The Omnis Managed Portfolio Service (provided by Openwork Wealth Services Limited) and Openwork Graphene Model Portfolios access exclusively funds provided by Omnis Investments Limited. Omnis Investments Limited and Openwork Wealth Services Limited are companies within the Openwork Group controlled by Openwork Holdings Limited.
