# About us

Our aim at Moneysprite is to work together, with you our client, to establish your needs, priorities and financial goals. We will then research and deliver the most suitable solutions and implement them.

What is more, we will always be truly client focussed and ensure everything is explained clearly, precisely and in a friendly manner.

We offer a plain and simple approach - we do the leg work whilst you stay happy in the knowledge that you are obtaining great deals on mortgages and protection with well-known partner brands you can trust, from an ethical company that puts clients at the heart of everything we do.

## Supporting our clients

We understand that from time to time our clients may find themselves dealing with circumstances which could mean they are potentially vulnerable. For example, a change in health, caring for a family member or coping with the loss of a loved one. There are many different types of vulnerability, and what makes one person vulnerable might not affect someone else. When we are vulnerable, our need for financial advice may change. However, admitting vulnerability or seeking help can sometimes feel hard.

If this is something you would like to discuss with your adviser, please ask for a copy of our support guide. This guide is designed to help explain vulnerability and the ways in which we might be able to support you. If you feel any of the circumstances in the brochure apply to you, please talk to us.

# Mortgages

## Whose products do we offer

### Mortgages

We offer a comprehensive range of products from across the market but not deals that you can only obtain by going direct to a lender.

### Second Charges Mortgages

If you are purchasing a property with the help of a shared equity loan, our advice will also cover the shared equity second charge. However, we do not advise on any other second charge mortgages. If you need a second charge mortgage we will refer you to a master broker for second charges, who will be able to advise you.

## Which service will we provide you with?

We will advise and make a recommendation for you on a first charge mortgage after we have assessed your needs.

You may request an illustration from us for any regulated mortgage contract we are able to offer you whenever we provide you with information specific to the amount you want to borrow following assessment of your needs and circumstances.

## Alternative finance options

If you are looking to increase borrowing secured on a property that you already have a mortgage on, the following alternative finance options may be available and may be more appropriate:

- A further Advance from your existing lender
- A Second Charge
- An unsecured Loan

The Openwork Partnership does not offer advice on Unsecured Lending or Second Charges.

## What will you have to pay us for our services?

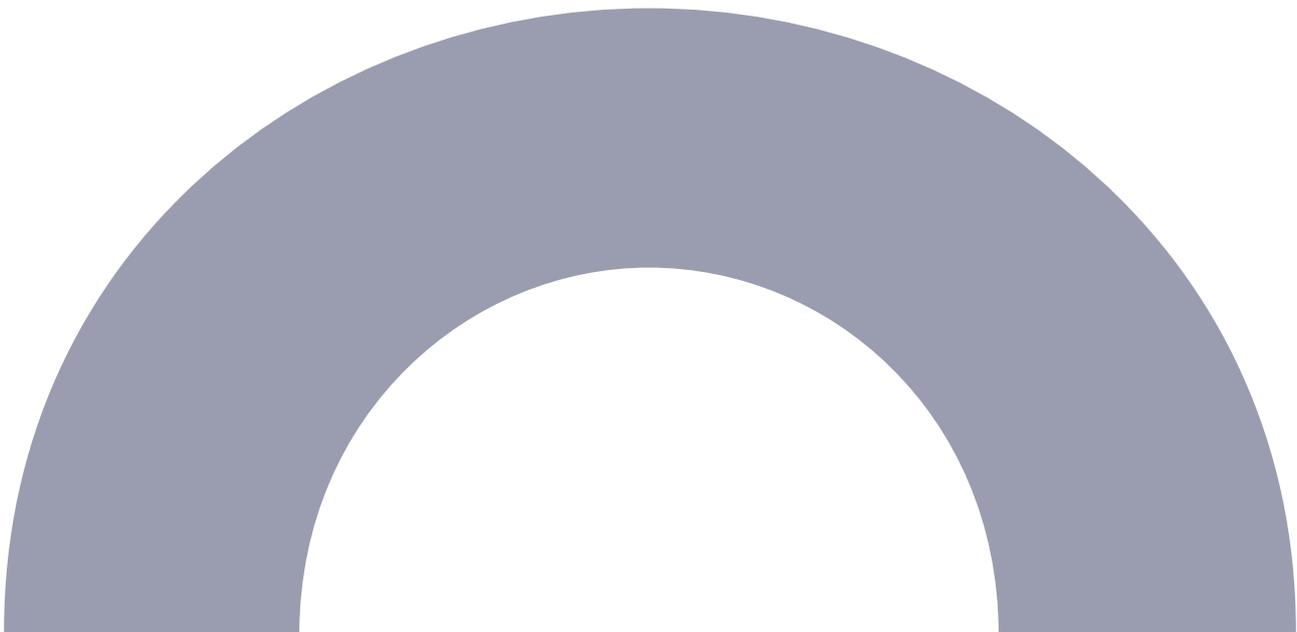

An initial research fee of £195 may be payable. A success fee of £995, or 1% of the loan amount if greater, payable on completion. For example on a £100,000 mortgage, this would equate to a fee of £1,000. We will also receive commission from the lender.

If you'd like to know the range of commission payable from our lenders, please ask me for a list. You will receive an illustration when considering a particular mortgage, which will tell you about any fees relating to it. It is important that you read and understand the illustration.

## Our refund policy for mortgage fees

If we charge you a fee and your mortgage does not go ahead, you will receive:

No refund of the research fee, if you decide not to proceed with the purchase.

# Insurance

## Whose products do we offer

We can only offer products from a limited number of insurers for life assurance, critical illness cover, income protection, household insurance, accident, sickness and unemployment insurance and cash lump sum accident protection.

Please see the Insurance Proposition Summary leaflet for details of the insurers we offer insurance products from.

## Which service will we provide you with?

We are an insurance intermediary representing you, not any insurer. We will provide you with a personal recommendation after we have assessed your needs, limited to the insurance products available to us, as shown in the Insurance Proposition Summary leaflet.

## What will you have to pay us for our services?

We arrange the policy with the insurer on your behalf, you do not pay us a fee for doing this. We receive commission from the insurer which is a percentage of the total annual premium. This means that if you purchase one of these products we will receive commission in addition to any adviser charges / fees you may have been or will be paying The Openwork Partnership for investment-related services. The amount of commission will be disclosed separately should you purchase one of these protection products.

You will receive a quotation which will tell you about any fees relating to any particular insurance policy.
